# QUARTERLY AIRPORT SAFETY AWARDS

Q1 & Q2 - April 2024 to September 2024

**INDIVIDUAL AWARD WINNER**

**Eric Dass Anthony Dass**

SATS Ltd

On 25 June 2024, Mr. Eric Dass Anthony Dass was performing ramp duties at aircraft stand D47 when he observed the PLB, which was docked to the aircraft, moving.

He immediately requested the cabin crew to close the cabin door, retracted the PLB, and alerted the PLB maintenance team of the anomaly.

It was discovered that the aircraft engineering crew was working on the nose landing gear of the aircraft and caused the PLB to move.

Eric's vigilance and quick actions prevented a potential aircraft incident and demonstrated his commitment to safety.
