# QUARTERLY AIRPORT SAFETY AWARDS

Q1 & Q2 - April 2024 to September 2024

**INDIVIDUAL AWARD WINNER**

**Hairi Bin Hussein**

SIA Engineering Company Ltd

On 30 July 2024, Mr. Hairi Bin Hussein was performing a pushback operation for a departing flight from stand B9 when he observed that another aircraft was approaching.

He immediately stopped the tow tug and alerted the flight crew through the headset man. Changi Tower then instructed the pushback crew to tow back the departing aircraft to stand B9 and allow the approaching aircraft to pass.

Hairi's vigilance and proactive actions prevented a potential aircraft incident and demonstrated his commitment to safety.
