QUARTERLY AIRPORT SAFETY AWARDS

Q1 & Q2 - April 2024 to September 2024

INDIVIDUAL AWARD WINNER

Robert Redira

Singapore Aero Support Services Pte Ltd

On 24 April 2024, Mr. Robert Redira was preparing to tow an aircraft at stand A16 when he observed that the tow lug retaining pin on the nose landing gear of the aircraft was damaged.

He immediately informed the aircraft engineer who confirmed that the tow lug could break away from the aircraft while towing as the pin was damaged.

Robert's vigilance and proactive actions prevented a potential aircraft incident and demonstrated his commitment to safety.
